

Spencer J. Cox

Governor

Declaration

Whereas, engineers apply their skills and knowledge to further society's technological process, strength, health, and prosperity in creative and innovative ways;

Whereas, engineers work to solve major industrial challenges, improving our quality of life and revolutionizing the way we learn, work, and communicate;

Whereas, engineers encourage students in STEM fields to realize the practical power of their skill and knowledge to meet present and future challenges; and,

Whereas, we recognize the importance of engineers to our state's continued growth and prosperity, and express our appreciation for their efforts to engage our youth in the exciting, ever-expanding fields of science, technology, engineering, and math;

Now, Therefore, I, Spencer J. Cox, governor of the state of Utah, do hereby declare Feb. 20-26, 2022, as

Engineers Week in Utah

Spencer J. Cox
Governor
